Knowing Jesus, Growing in Faith, Serving with Love

Dear Parents,

It has been advised that Zion have consent from parents to display photos and first names of our school children within our school building. These photos would be displayed in classrooms, hall bulletin boards, and displays that may at times be set up in Zion's narthex. On occasion the Journal and TV stations do news reports from Zion School and Preschool.

We also display classroom/field trips, etc. photos on our school website (with no name used with the photos).

Below is a form for this consent.

Thank you for your cooperation in this matter!
